

CoreSite Realty Corporation Announces Sale of Common Stock by The Carlyle Group

July 30, 2018

DENVER--(BUSINESS WIRE)--Jul. 30, 2018-- CoreSite Realty Corporation (NYSE:COR) ("CoreSite"), a premier provider of secure, reliable, high-performance [data center](#) and [interconnection](#) solutions across the U.S., today announced the sale of 2,250,000 shares of its common stock by investment funds affiliated with The Carlyle Group to Citigroup and Credit Suisse Securities (USA) LLC, as the underwriters in connection with the offering.

Upon completion of the offering, investment funds affiliated with The Carlyle Group will continue to hold an aggregate of 11,525,390 partnership units in CoreSite's operating partnership that they may elect to redeem in whole or in part for cash or, at CoreSite's option, CoreSite may elect to acquire those operating partnership units submitted for redemption in exchange for shares of its common stock on a one-for-one basis. If all such operating partnership units were tendered for redemption and CoreSite elected to acquire such units in exchange for shares of its common stock, investment funds affiliated with The Carlyle Group would own an aggregate of 23.9% of CoreSite's issued and outstanding common stock. The offering is expected to close and settle on or about August 2, 2018, subject to customary closing conditions. Neither CoreSite nor CoreSite's management is selling any shares of common stock in the offering and CoreSite will not receive any of the proceeds from the offering of shares by the selling stockholders.

Citigroup and Credit Suisse Securities (USA) LLC propose to offer the shares of common stock from time to time to purchasers directly or through agents, or through brokers in brokerage transactions on the New York Stock Exchange, or to dealers in negotiated transactions or in a combination of such methods of sale, at a fixed price or prices, which may be changed, or at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices.

CoreSite has filed a registration statement (including a prospectus) with the U.S. Securities and Exchange Commission (the "SEC") for the offering to which this communication relates. Before investing, you should read the prospectus and other documents filed with the SEC for information about CoreSite and this offering. Forward-Looking Statements

This press release may contain forward-looking statements within the meaning of the federal securities laws. Forward-looking statements relate to expectations, beliefs, projections, future plans and strategies, anticipated events or trends and similar expressions concerning matters that are not historical facts. In some cases, you can identify forward-looking statements by the use of forward-looking terminology such as "believes," "expects," "may," "will," "should," "seeks," "approximately," "intends," "plans," "pro forma," "estimates" or "anticipates" or the negative of these words and phrases or similar words or phrases that are predictions of or indicate future events or trends and that do not relate solely to historical matters. Forward-looking statements involve known and unknown risks, uncertainties, assumptions and contingencies, many of which are beyond CoreSite's control that may cause actual results to differ significantly from those expressed in any forward-looking statement. These risks include, without limitation: any adverse developments in local economic conditions or the demand for data center space in these markets; operational difficulties, including difficulties relating to information systems, internal processes and information security; significant industry competition; financial market fluctuations; and other factors affecting the real estate industry generally. All forward-looking statements reflect CoreSite's good faith beliefs, assumptions and expectations, but they are not guarantees of future performance. Furthermore, CoreSite disclaims any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors, of new information, data or methods, future events or other changes. For a further discussion of these and other factors that could cause CoreSite's future results to differ materially from any forward-looking statements, see the section entitled "Risk Factors" in CoreSite's most recent annual report on Form 10-K, and other risks described in documents subsequently filed by CoreSite from time to time with the Securities and Exchange Commission.
