

CoreSite Realty Corporation Announces Pricing of 4,000,000 Shares of 7.25% Series A Cumulative Redeemable Preferred Stock

December 5, 2012

DENVER--(BUSINESS WIRE)--Dec. 5, 2012-- CoreSite Realty Corporation (NYSE: COR), an owner, developer and operator of strategically located data centers in some of the leading communications hubs in North America, today announced the pricing of an underwritten public offering of 4,000,000 shares of 7.25% Series A Cumulative Redeemable Preferred Stock at a price of \$25.00 per share for gross proceeds of \$100 million. The offering is expected to close on December 12, 2012, subject to closing conditions. The Company has granted the underwriters a 30-day option to purchase up to an additional 600,000 shares of its 7.25% Series A Cumulative Redeemable Preferred Stock to cover over-allotments, if any. The Company intends to apply to list the shares on the New York Stock Exchange.

The Company intends to contribute the net proceeds from this offering to its operating partnership, CoreSite, L.P., which will subsequently use the net proceeds received from the Company to temporarily repay borrowings under its revolving credit facility, to repay the full amount of the mortgage loan payable on its 12100 Sunrise Valley property and for general corporate purposes, which could include the acquisition of additional properties or to fund development and redevelopment opportunities. The offering is being made pursuant to an effective shelf registration statement, prospectus and related prospectus supplement filed by the Company with the Securities and Exchange Commission.

Citigroup Global Markets Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated and RBC Capital Markets, LLC are the joint book-running managers for the offering. Credit Suisse Securities (USA) LLC and KeyBanc Capital Markets Inc. are the co-managers for the offering.

Forward Looking Statements

This press release contains forward-looking statements which are based on current expectations, forecasts and assumptions that involve risks and uncertainties that could cause actual outcomes and results to differ materially. Such forward-looking statements include statements related to the completion and timing of the offering, the intended use of proceeds from the offering and the intended listing of the shares on the New York Stock Exchange. These risks and uncertainties include, among others, the following: the geographic concentration of CoreSite's data centers in certain markets and any adverse developments in local economic conditions or the demand for data center space in these markets; fluctuations in interest rates and increased operating costs; difficulties in identifying properties to acquire and completing acquisitions; significant industry competition; CoreSite's failure to obtain necessary outside financing; CoreSite's failure to qualify or maintain its status as a REIT; financial market fluctuations; changes in real estate and zoning laws and increases in real property tax rates; and other factors affecting the real estate industry generally. For a further list and description of such risks and uncertainties, see the reports and other filings by the Company with the U.S. Securities and Exchange Commission, including the Company's Annual Report on Form 10-K for the year ended December 31, 2011. The Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
