SECTION 8. PAYMENT AND PREPAYMENT OF THE NOTES.

Section 8.1. Maturity. As provided therein, the entire unpaid principal balance of each Note shall be due and payable on the Maturity Date thereof.

Section 8.2. Optional Prepayments with Make-Whole Amount. The Issuer may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Notes, in an amount not less than 5% of the aggregate principal amount of the Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid, and the Make-Whole Amount determined for the prepayment date with respect to such principal

amount (*provided* that no Make-Whole Amount shall be due if such Notes are prepaid during the last 30 days prior to the Maturity Date of such Notes). The Issuer will give each holder of Notes written notice of each optional prepayment under this Section 8.2 not less than ten days and not more than 60 days prior to the date fixed for such prepayment unless the Issuer and the Required Holders agree to another time period pursuant to Section 17. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.3) and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer of the Issuer as to the estimated Make-Whole Amount, if any, for such Notes due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Any such notice of prepayment delivered in connection with a refinancing, the proceeds of which are to be used to make such prepayment, may be made, if expressly so stated in such notice to be, contingent upon the consummation of such refinancing and may be revoked by the Issuer in the event such refinancing is not consummated; *provided* that such notice of revocation is in writing. Two Business Days prior to such prepayment, the Issuer shall deliver to each holder of Notes a certificate of a Senior Financial Officer of the Issuer specifying the calculation of such Make-Whole Amount, if any, as of the specified prepayment date.

Section 8.3. Allocation of Partial Prepayments. (a) In the case of each partial prepayment of Notes pursuant to Section 8.2, the principal amount of the Notes to be prepaid shall be allocated among all of the Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

(b) Any prepayments pursuant to Section 8.7 shall be applied only to the Notes of the holders electing to participate in such prepayment.

Section 8.4. Maturity; Surrender, Etc. In the case of each prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall, subject to the penultimate sentence of Section 8.2, mature and become due and payable on the date fixed for such prepayment, together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Issuer shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Issuer and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

Section 8.5. Purchase of Notes. The Issuer will not and will not permit any of its Affiliates to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with this Agreement and the Notes or (b) pursuant to a written offer to purchase any outstanding Notes made by the Issuer or an Affiliate pro rata to the holders of the Notes at the time outstanding upon the same terms and conditions. Any such offer shall provide each holder with sufficient information to enable it to make an informed decision with respect to such offer, and shall remain open for at least ten Business Days. If the holders of more than 50% of the principal amounts of

the Notes then outstanding accept such offer, the Issuer shall promptly notify the remaining holders of Notes of such fact and the expiration date for the acceptance by holders of Notes of such offer shall be extended by the number of days necessary to give each such remaining holder at least five Business Days from its receipt of such notice to accept such offer. The Issuer will promptly cancel all Notes acquired by it or any Affiliate pursuant to any payment, prepayment or purchase of Notes pursuant to this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

Section 8.6. Make-Whole Amount.

“**Make-Whole Amount**” means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal, *provided* that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“**Called Principal**” means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“**Discounted Value**” means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on the Notes is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“**Reinvestment Yield**” means, with respect to the Called Principal of any Note, the sum of (a) 0.50% plus (b) the yield to maturity implied by the “Ask Yield(s)” reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (“**Reported**”) having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between the “Ask Yields” Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then “**Reinvestment Yield**” means, with respect to the Called Principal of any Note, the sum of (x) 0.50% plus (y) the yield to maturity implied by the U.S.

Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (1) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

Section 10.7. Limitation on Subsidiary Indebtedness. The Issuer will not, and will cause the Parent not to, permit any Subsidiary (which is not a Subsidiary Guarantor) to create, assume, incur or guarantee or otherwise be or become liable in respect of any Indebtedness other than:

Section 10.8. Consolidated Total Unsecured Indebtedness. The Issuer shall not permit at any time Consolidated Total Unsecured Indebtedness to exceed Unencumbered Asset Pool Availability.

Section 10.9. Minimum Consolidated Tangible Net Worth. The Issuer shall not permit Consolidated Tangible Net Worth to be less than the sum of (i) ~~\$1,277,009,816.00~~ 2,274,892,911.00, plus (ii) ~~80.75%~~ of the sum of (A) any additional Net Offering Proceeds after ~~the date of the Closing, December 31, 2017,~~ plus (B) the value of interests in the Issuer or interests in the Parent issued upon the contribution of assets to the Issuer or its Subsidiaries after ~~the date of the Closing, December 31, 2017~~ (with such value determined at the time of contribution).

Section 10.10. Consolidated Total Indebtedness to Gross Asset Value. (a) The Issuer shall not permit at any time Consolidated Total Indebtedness to exceed 60% of Gross Asset Value; provided that, at the Issuer's election, for an Elevated Period, Consolidated Total Indebtedness

may exceed 60% of Gross Asset Value but in no event may Consolidated Total Indebtedness exceed 65% of Gross Asset Value (the “**Elevated Leverage Ratio**”).

(b) For any fiscal quarter in which the Elevated Leverage Ratio is utilized, the Issuer shall be obligated to pay to each holder of a Note additional interest (the “**Elevated Leverage Ratio Interest**”) comprising the product of (i) the aggregate outstanding principal amount of Notes held by such holder (or its predecessor(s) in interest) as of the first day of the relevant fiscal quarter for which Elevated Leverage Ratio Interest is due, (ii) 0.25% and (iii) 0.25 (to reflect that the Elevated Leverage Ratio Interest is payable quarterly); *provided* that for any fiscal quarter in which the Elevated Period has commenced, the Elevated Leverage Ratio Interest for any such Note shall be reduced by an amount equal to such Elevated Leverage Ratio Interest multiplied by a fraction, (i) the numerator of which is equal to 90 minus the number of days (computed on the basis of a 360-day year of twelve 30-day months) from the beginning of the related fiscal quarter to the start of the Elevated Period and (ii) the denominator of which is 90. Such Elevated Leverage Ratio Interest shall be payable on each June 15 or December 15 next succeeding the completion of the relevant Elevated Period together with the regularly scheduled interest due on such holder’s Notes. Notwithstanding the foregoing, the Elevated Leverage Ratio Interest shall not be payable for any quarterly period for which the Issuer has paid or is paying the Elevated Fixed Charges Ratio Interest (as defined below).

(c) Together with or prior to delivery of the Elevated Leverage Ratio Interest as contemplated by paragraph (b) of this Section 10.10, the Issuer shall deliver to each of the holders of the Notes a written notice from a Senior Financial Officer of the Issuer or Parent (a) stating that the Issuer has applied the Elevated Leverage Ratio to a calendar quarter (and specifying the applicable calendar quarter) and (b) confirming that the applicable Elevated Leverage Ratio Interest is being paid with respect to such calendar quarter. The notice provided for in this paragraph (c) of this Section 10.10 may be the same notice as provided under paragraph (c) of Section 10.11.

(d) In determining the Elevated Leverage Ratio Interest with respect to any fiscal quarter during which any Note is paid in full, the Elevated Leverage Ratio Interest for any such Note shall be reduced to an amount equal to such Elevated Leverage Ratio Interest multiplied by a fraction, (i) the numerator of which is equal to 90 minus the number of days (computed on the basis of a 360-day year of twelve 30-day months) from such payment in full to the end of the related fiscal quarter and (ii) the denominator of which is 90. In the event of a partial prepayment of any Note during a fiscal quarter, the Elevated Leverage Ratio Interest shall be similarly prorated with respect to the principal amount of Notes prepaid.

Section 10.11. Adjusted Consolidated EBITDA to Consolidated Fixed Charges. (a) The Issuer shall not permit the ratio of Adjusted Consolidated EBITDA determined for the most recently ended calendar quarter to Consolidated Fixed Charges for the most recently ended calendar quarter annualized, to be less than ~~1.70~~1.50 to 1.00.

(b) Without limiting the foregoing, in the event the ratio of Adjusted Consolidated EBITDA determined for the most recently ended calendar quarter to Consolidated Fixed Charges for the most recently ended calendar quarter annualized is less than 1.70 to 1.00 (an “**Elevated**

Fixed Charges Ratio”), the Issuer shall pay to each holder of a Note additional interest (the “**Elevated Fixed Charges Ratio Interest**”) comprising the product of (i) the aggregate outstanding principal amount of Notes held by such holder (or its predecessor(s) in interest) as of the first day of the relevant calendar quarter for which Elevated Fixed Charges Ratio Interest is due, (ii) 0.25% and (iii) 0.25 (to reflect that the Elevated Fixed Charges Ratio Interest is payable quarterly). Such Elevated Fixed Charges Ratio Interest shall be payable on each June 15 or December 15 next succeeding the completion of the calendar quarter for which Elevated Fixed Charges Ratio Interest is due together with the regularly scheduled interest due on such holder’s Notes. Notwithstanding the foregoing, the Elevated Fixed Charges Ratio Interest shall not be payable for any quarterly period for which the Issuer has paid or is paying the Elevated Leverage Ratio Interest.

(c) Together with or prior to delivery of the Elevated Fixed Charges Ratio Interest as contemplated by paragraph (b) of this Section 10.11, the Issuer shall deliver to each of the holders of the Notes a written notice from a Senior Financial Officer of the Issuer or Parent (a) stating that the Issuer has applied the Elevated Fixed Charges Ratio to a calendar quarter (and specifying the applicable calendar quarter) and (b) confirming that the applicable Elevated Fixed Charges Ratio is being paid with respect to such calendar quarter. The notice provided for in this paragraph (c) of this Section 10.11 may be the same notice as provided under paragraph (c) of Section 10.10.

(d) In determining the Elevated Fixed Charges Ratio Interest with respect to any calendar quarter during which any Note is paid in full, the Elevated Fixed Charges Ratio Interest for any such Note shall be reduced to an amount equal to such Elevated Fixed Charges Ratio Interest multiplied by a fraction, (i) the numerator of which is equal to 90 minus the number of days (computed on the basis of a 360-day year of twelve 30-day months) from such payment in full to the end of the related calendar quarter and (ii) the denominator of which is 90. In the event of a partial prepayment of any Note during a calendar quarter, the Elevated Fixed Charges Ratio Interest shall be similarly prorated with respect to the principal amount of Notes prepaid.

Section 10.12. Secured Indebtedness to Gross Asset Value. The Issuer shall not permit at any time Secured Indebtedness to exceed 40% of Gross Asset Value.

SECTION 11. EVENTS OF DEFAULT.

An “**Event of Default**” shall exist if any of the following conditions or events shall occur and be continuing:

SECTION 12. REMEDIES ON DEFAULT, ETC.

Section 12.1. Acceleration. (a) If an Event of Default with respect to the Issuer described in Section 11(g), (h) or (i) (other than an Event of Default described in clause (i) of Section 11(g) or described in clause (vi) of Section 11(g) by virtue of the fact that such clause encompasses clause (i) of Section 11(g)) has occurred, all the Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, the Required Holders may at any time at their option, by notice or notices to the Issuer, declare all the Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in Section 11(a) or (b) has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Issuer, declare all the Notes held by it or them to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon (including interest accrued thereon in respect of any Notes at the Default Rate) and (y) the Make-Whole Amount, if any, determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Issuer acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from

repayment by the Issuer (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Issuer in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 12.2. Other Remedies. If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note or Note Guaranty, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby by law or otherwise.

Section 12.3. Rescission. At any time after any Notes have been declared due and payable pursuant to Section 12.1(b) or (c), the Required Holders, by written notice to the Issuer, may rescind and annul any such declaration and its consequences if (a) the Issuer has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) neither the Issuer nor any other Person shall have paid any amounts which have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than nonpayment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17 and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.4. No Waivers or Election of Remedies, Expenses, Etc. No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement, any Note Guaranty or any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Issuer under Section 15, the Issuer will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all reasonable and documented costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including reasonable and documented attorneys' fees, expenses and disbursements.

SECTION 13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

Section 13.1. Registration of Notes. The Issuer shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. If any holder of one or more Notes is a nominee, then (a) the name and address of the beneficial owner of such Note or Notes shall also be

registered in such register as an owner and holder thereof and (b) at any such beneficial owner's option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Agreement. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Issuer shall not be affected by any notice or knowledge to the contrary. The Issuer shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

Section 13.2. Transfer and Exchange of Notes. Upon surrender of any Note to the Issuer at the address and to the attention of the designated officer (all as specified in Section 18(iii)), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof), within ten Business Days thereafter, the Issuer shall execute and deliver, at the Issuer's expense (except as provided below), one or more new Notes (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of Schedule 1. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Issuer may require payment of a sum sufficient to cover any stamp, documentary or similar tax, charge or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, *provided* that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.2.

Section 13.3. Replacement of Notes. Upon receipt by the Issuer at the address and to the attention of the designated officer (all as specified in Section 18(iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (*provided* that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$100,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within ten Business Days thereafter, the Issuer at its own expense shall execute and deliver, in lieu thereof, a new Note, dated and bearing interest from the date to which interest shall have been paid

on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

SECTION 14. PAYMENTS ON NOTES.

Section 14.1. Place of Payment. Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in New York, New York at the principal office of Citibank, N.A. in such jurisdiction. The Issuer may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Issuer in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

Section 14.2. Payment by Wire Transfer. So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Issuer will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, interest and all other amounts becoming due hereunder by the method and at the address specified for such purpose below such Purchaser's name in the Purchaser Schedule, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Issuer in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Issuer made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Issuer at its principal executive office or at the place of payment most recently designated by the Issuer pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Issuer in exchange for a new Note or Notes pursuant to Section 13.2. The Issuer will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 14.2.

Section 14.3. FATCA and Other Tax Information. By acceptance of any Note, the holder of such Note agrees that such holder will with reasonable promptness duly complete and deliver to the Issuer a properly executed Internal Revenue Service Form W-9, W-8BEN-E, W-8ECI, W-8EXP or W-8IMY, as applicable, in each case together with any required attachments and establishing a complete exemption from U.S. federal withholding tax with respect to payments in connection with the Notes and Note Guaranties under the law in effect as of the date of this Agreement. In addition, by acceptance of any Note, the holder of such Note agrees that such holder will with reasonable promptness duly complete and deliver to the Issuer, or to such other Person as may be reasonably requested by the Issuer, from time to time (a) in the case of any such holder that is a United States Person, such holder's United States tax identification number or other forms reasonably requested by the Issuer necessary to establish such holder's status as a United States Person under FATCA and as may otherwise be necessary for the Issuer to comply with its obligations under FATCA and (b) in the case of any such holder that is not a United States Person, such documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Code) and such additional documentation as may be necessary for the

Issuer to comply with its obligations under FATCA and to determine that such holder has complied with such holder's obligations under FATCA or to determine the amount (if any) to deduct and withhold from any such payment made to such holder. Nothing in this Section 14.3 shall require any holder to provide information that is confidential or proprietary to such holder unless the Issuer is required to obtain such information under FATCA and, in such event, the Issuer shall treat any such information it receives as confidential. Each holder agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification under then-current law or promptly notify the Issuer in writing of its legal inability to do so.

SECTION 15. EXPENSES, ETC.

Section 15.1. Transaction Expenses. Whether or not the transactions contemplated hereby are consummated, the Issuer will pay all costs and expenses (including reasonable and documented attorneys' fees of one special counsel for the holders, taken as a whole, and, if reasonably required by the Required Holders, one local or other counsel for the holders, taken as a whole) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement, any Note Guaranty or the Notes (whether or not such amendment, waiver or consent becomes effective), including: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, any Note Guaranty or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement, any Note Guaranty or the Notes, or by reason of being a holder of any Note, (b) the costs and expenses, including fees of one financial advisor for all of Purchasers and the holders of the Notes, as a whole, incurred in connection with the insolvency or bankruptcy of the Parent, the Issuer or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes and any Note Guaranty and (c) the costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO, *provided* that such costs and expenses under this clause (c) shall not exceed \$5,000. The Issuer will pay, and will save each Purchaser and each other holder of a Note harmless from, (i) all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes) and (ii) any and all wire transfer fees that any bank deducts from any payment under such Note to such holder or otherwise charges to a holder of a Note with respect to a payment under such Note; *provided* such holder shall have submitted a request for such deducted amount within 30 days of the receipt of the related payment under its Note.

Section 15.2. Certain Taxes. The Issuer agrees to pay all stamp, documentary or similar taxes or fees which may be payable in respect of the execution and delivery or the enforcement of this Agreement or any Note Guaranty or the execution and delivery (but not the transfer) or the enforcement of any of the Notes in the United States of America or any other jurisdiction where the Issuer or any Note Guarantor has assets or of any amendment of, or waiver or consent under or with respect to, this Agreement or any Note Guaranty or of any of the Notes, and to pay any value added tax due and payable in respect of reimbursement of costs and expenses by the Issuer pursuant to this Section 15, and will save each holder of a Note to the extent permitted by

applicable law harmless against any loss or liability resulting from nonpayment or delay in payment of any such tax or fee required to be paid by the Issuer hereunder.

Section 15.3. Survival. The obligations of the Issuer under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement, any Note Guaranty or the Notes, and the termination of this Agreement.

SECTION 16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon, by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Issuer pursuant to this Agreement shall be deemed representations and warranties of the Issuer under this Agreement. Subject to the preceding sentence, this Agreement, the Notes and any Note Guaranty embody the entire agreement and understanding between each Purchaser and the Issuer and supersede all prior agreements and understandings relating to the subject matter hereof.

SECTION 17. AMENDMENT AND WAIVER.

Section 17.1. Requirements. This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), only with the written consent of the Issuer and the Required Holders and, solely with respect to Section 23, the Parent, except that:

(a) no amendment or waiver of any of Sections 1, 2, 3, 4, 5, 6 or 21 hereof, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing; and

(b) no amendment or waiver may, without the written consent of each Purchaser and the holder of each Note at the time outstanding, (i) subject to Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of (x) interest on the Notes or (y) the Make-Whole Amount, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any amendment or waiver or (iii) amend any of Sections 8 (except as set forth in the second sentence of Section 8.2), 11(a), 11(b), 12, 17, 20 or 23.

Section 17.2. Solicitation of Holders of Notes.

(a) *Solicitation.* The Issuer will provide each holder of a Note with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes or any Note Guaranty. The Issuer

will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to this Section 17 or any Note Guaranty to each holder of a Note promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) *Payment.* The Issuer will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of a Note as consideration for or as an inducement to the entering into by such holder of any waiver or amendment of any of the terms and provisions hereof or of any Note Guaranty or any Note unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of a Note even if such holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent given pursuant to this Section 17 or any Note Guaranty by a holder of a Note that has transferred or has agreed to transfer its Note to (i) the Parent, (ii) the Issuer, (iii) any Subsidiary or any other Affiliate or (iv) any other Person in connection with, or in anticipation of, such other Person acquiring, making a tender offer for or merging with the Issuer and/or any of its Affiliates, in each case in connection with such consent, shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

Section 17.3. Binding Effect, Etc. Any amendment or waiver consented to as provided in this Section 17 or any Note Guaranty applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Issuer without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Issuer and any holder of a Note and no delay in exercising any rights hereunder or under any Note or Note Guaranty shall operate as a waiver of any rights of any holder of such Note.

Section 17.4. Notes Held by Issuer, Etc. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement, any Note Guaranty or the Notes, or have directed the taking of any action provided herein or in any Note Guaranty or the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Parent, the Issuer or any Affiliate shall be deemed not to be outstanding.

SECTION 19. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating hereto, including (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at the Closing (except the Notes themselves) and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital or other similar process and such Purchaser may destroy any original document so reproduced. The Issuer agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Issuer or any holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

SECTION 20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, “**Confidential Information**” means information delivered to any Purchaser by or on behalf of the Parent, the Issuer or any Subsidiary in connection

with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of the Parent, the Issuer or such Subsidiary, *provided* that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on such Purchaser's behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by the Parent, the Issuer or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, *provided* that such Purchaser may deliver or disclose Confidential Information to (i) its directors, officers, employees, agents, attorneys, trustees and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by its Notes and such recipient is notified of its obligation to maintain the confidentiality of such information), (ii) its auditors, financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with this Section 20, (iii) any other holder of any Note, (iv) any Institutional Investor to which it sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 20), (v) any Person from which it offers to purchase any Security of the Parent or the Issuer (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by this Section 20), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the NAIC or the SVO or, in each case, any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser's investment portfolio or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser's Notes, this Agreement or any Note Guaranty (*provided* with respect to subclauses (w) (except where required disclosure of the purchase of the Notes is to be made to any supervisory or regulatory body during the normal course of its exercise of its regulatory or supervisory function over such Purchaser as an insurance company and consistent with such Purchaser's usual practice), (x) and (y) that, unless specifically prohibited by applicable law, rule, regulation or order, such Purchaser shall use its reasonable best efforts to notify the Issuer of such pending disclosure and, to the extent practicable, the opportunity to seek a protective order or to pursue such further legal action as may be necessary to preserve the privileged nature and confidentiality of the Confidential Information. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Issuer in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Issuer embodying this Section 20.

In the event that as a condition to receiving access to information relating to the Parent, the Issuer or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement, any Purchaser or holder of a Note is required to agree to a confidentiality undertaking (whether through IntraLinks, another secure website, a secure virtual workspace or otherwise) which is different from this Section 20, this Section 20 shall not be amended thereby and, as between such Purchaser or such holder and the Issuer, this Section 20 shall supersede any such other confidentiality undertaking.

SECTION 21. SUBSTITUTION OF PURCHASER.

Each Purchaser shall have the right to substitute any one of its Affiliates or another Purchaser or any one of such other Purchaser's Affiliates (a "**Substitute Purchaser**") as the purchaser of the Notes that it has agreed to purchase hereunder, by written notice to the Issuer, which notice shall be signed by both such Purchaser and such Substitute Purchaser, shall contain such Substitute Purchaser's agreement to be bound by this Agreement and shall contain a confirmation by such Substitute Purchaser of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Purchaser in this Agreement (other than in this Section 21), shall be deemed to refer to such Substitute Purchaser in lieu of such original Purchaser. In the event that such Substitute Purchaser is so substituted as a Purchaser hereunder and such Substitute Purchaser thereafter transfers to such original Purchaser all of the Notes then held by such Substitute Purchaser, upon receipt by the Issuer of notice of such transfer, any reference to such Substitute Purchaser as a "Purchaser" in this Agreement (other than in this Section 21), shall no longer be deemed to refer to such Substitute Purchaser, but shall refer to such original Purchaser, and such original Purchaser shall again have all the rights of an original holder of the Notes under this Agreement.

SECTION 22. MISCELLANEOUS.

Section 22.1. Successors and Assigns. All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including any subsequent holder of a Note) whether so expressed or not, except that, other than as set forth in Section 10.2, the Issuer may not assign or otherwise transfer any of its rights or obligations hereunder or under the Notes without the prior written consent of each holder. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto and their respective successors and assigns permitted hereby) any legal or equitable right, remedy or claim under or by reason of this Agreement.

Section 22.2. Accounting Terms. (a) All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, (i) all computations made pursuant to this Agreement shall be made in accordance with GAAP and (ii) all financial statements shall be prepared in accordance with GAAP. For purposes of determining compliance with this Agreement (including Section 9, Section 10 and the definition of "Indebtedness"), any election by the Parent, the Issuer or any Subsidiary to measure any financial liability using fair value (as permitted by Financial Accounting Standards Board Accounting Standards Codification Topic

No. 825-10-25 — *Fair Value Option*, International Accounting Standard 39 — *Financial Instruments: Recognition and Measurement* or any similar accounting standard) shall be disregarded and such determination shall be made as if such election had not been made.

(b) Except as provided in paragraph (d) of Section 9.10, if at any time any adopted change in GAAP would affect the computation of any financial ratio or requirement set forth in any this Agreement, and either the Issuer or the Required Holders shall so request, the holders of the Notes and the Parent and the Issuer shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Required Holders and in any event for a period not to exceed 90 days following such initial request); *provided* that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein and (ii) the Issuer shall provide to the holders of the Notes financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP.

Section 22.3. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

Section 22.4. Construction, Etc. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

Defined terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” Unless the context requires otherwise (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein) and, for purposes of the Notes, shall also include any such notes issued in substitution therefor pursuant to Section 13, (b) subject to Section 22.1, any reference herein to any Person shall be construed to include such Person’s successors and assigns, (c) the words “herein,” “hereof” and “hereunder” and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Sections and Schedules shall be construed to refer to Sections of, and Schedules to, this Agreement and (e) any reference to any law or regulation herein shall, unless

otherwise specified, refer to such law or regulation as amended, modified or supplemented from time to time.

Section 22.5. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

Section 22.6. Governing Law. This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

Section 22.7. Jurisdiction and Process; Waiver of Jury Trial. (a) Each of the Parent and the Issuer irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Notes. To the fullest extent permitted by applicable law, the Issuer irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) Each of the Parent and the Issuer agrees, to the fullest extent permitted by applicable law, that a final judgment in any suit, action or proceeding of the nature referred to in Section 22.7(a) brought in any such court shall be conclusive and binding upon it subject to rights of appeal, as the case may be, and may be enforced in the courts of the United States of America or the State of New York (or any other courts to the jurisdiction of which it or any of its assets is or may be subject) by a suit upon such judgment.

(c) Each of the Parent and the Issuer consents to process being served by or on behalf of any holder of Notes in any suit, action or proceeding of the nature referred to in Section 22.7(a) by mailing a copy thereof by registered, certified, priority or express mail (or any substantially similar form of mail), postage prepaid, return receipt or delivery confirmation requested, to it at its address specified in Section 18 or at such other address of which such holder shall then have been notified pursuant to said Section. Each of the Parent and the Issuer agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the U.S. Postal Service or any reputable commercial delivery service.

(d) Nothing in this Section 22.7 shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Issuer in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(e) THE PARTIES HERETO HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH OR THEREWITH.

SECTION 23. PARENT GUARANTY.

Section 23.1. Parent Guaranty. The Parent hereby, jointly and severally, together with the Subsidiary Guarantors under the Subsidiary Guaranty, absolutely and unconditionally guaranties to the holders from time to time of the Notes: (i) the full and prompt payment of the principal of all of the Notes and of the interest thereon at the rate therein stipulated and the Make-Whole Amount (if any), when and as the same shall become due and payable, whether by lapse of time, upon redemption or prepayment, by extension or by acceleration or declaration, or otherwise (including (to the extent legally enforceable) interest due on overdue payments of principal, Make-Whole Amount (if any) or interest at the rate set forth in the Notes) and all other amounts from time to time owing by the Issuer under this Agreement and under the Notes (including, without limitation, costs and expenses), (ii) the full and prompt performance and observance by the Issuer of each and all of the obligations, covenants and agreements required to be performed or observed by the Issuer under the terms of the Notes and this Agreement and (iii) the full and prompt payment, upon demand by any holder of the Notes, of all costs and expenses, legal or otherwise (including attorneys' fees) and such expenses, if any, as shall have been expended or incurred in the protection or enforcement of any right or privilege under the Notes or this Agreement, including, without limitation, in any consultation or action in connection therewith, subject to the limitations set forth in Section 15.1 of this Agreement. The guaranty of the Notes herein provided for is a guaranty of the immediate and timely payment of the principal and interest on the Notes and the Make-Whole Amount (if any) as and when the same are due and payable and shall not be deemed to be a guaranty only of the collectability of such payments and therefore each holder of the Notes may sue the Parent directly upon such principal, interest and Make-Whole Amount (if any) becoming so due and payable.

Section 23.2. Obligations Absolute and Unconditional. The obligations of the Parent under this Agreement shall be absolute and unconditional and shall remain in full force and effect until the entire principal, interest and Make-Whole Amount (if any) on the Notes and all other sums due pursuant to Section 23.1 shall have been paid, and such obligations shall not be affected, modified or impaired upon the happening from time to time of any circumstance or occurrence, including, without limitation, the following, whether or not with notice to or the consent of the Parent:

(a) the extension of the time for payment of any principal of, or interest (or Make-Whole Amount, if any) on any Note owing or payable on such Note or of the time of or for performance of any obligations, covenants or agreements under or arising out of this Agreement or the extension or the renewal of any thereof;

(b) the modification or amendment of any obligation, covenant or agreement set forth in this Agreement or the Notes;

- (c) the power or authority or the lack of power or authority of the Issuer to issue the Notes or to execute and deliver this Agreement;
- (d) the existence or continuance of the Issuer as a legal entity;
- (e) any failure to present the Notes for payment or to demand payment thereof, or to give the Issuer or the Parent notice of dishonor for non-payment of the Notes, when and as the same may become due and payable, or notice of any failure on the part of the Issuer to do any act or thing or to perform or to keep any covenant or agreement by it to be done, kept or performed under the terms of the Notes or this Agreement;
- (f) any failure, omission, delay or lack on the part of the holders of the Notes to enforce, assert or exercise any right, power or remedy conferred on the holders of the Notes in this Agreement or the Notes or any other act or acts on the part of the holders from time to time of the Notes;
- (g) the acceptance of any security or any guaranty, the advance of additional money to the Issuer, or any sale, release, substitution or exchange of any security;
- (h) the waiver, compromise, settlement, release or termination of any or all of the obligations, covenants or agreements of the Issuer contained in this Agreement or the payment, performance or observance thereof;
- (i) the voluntary or involuntary liquidation, dissolution, sale or other disposition of all or substantially all the assets, marshalling of assets and liabilities, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization or arrangement under bankruptcy or similar laws, composition with creditors or readjustment of, or other similar procedures affecting the Issuer, the Parent or any of the assets of any of them, or any allegation or contest of the validity of this Agreement or the disaffirmance of this Agreement in any such proceeding;
- (j) the invalidity or unenforceability of the Notes or this Agreement, or the obligations of the Issuer or the Parent under the Notes or this Agreement;
- (k) the default or failure of the Parent or the Issuer fully to perform any of its covenants or obligations set forth in this Agreement or the failure to give notice thereof;
- (l) the failure of the Parent to receive any benefit or consideration from or as a result of its execution, delivery and performance of this Agreement;
- (m) any other circumstance which might otherwise constitute a defense available to, or a discharge of, the Parent or the Issuer in respect of the obligations of the Parent or the Issuer under this Agreement (other than payment and performance in full);

provided that the specific enumeration of the above-mentioned acts, failures or omissions shall not be deemed to exclude any other acts, failures or omissions, though not specifically mentioned

above, it being the purpose and intent of this paragraph that the obligations of the Parent hereunder shall be absolute and unconditional and shall not be discharged, impaired or varied except by the payment to the holders thereof of the principal of, Make-Whole Amount (if any) and interest on the Notes, and of all other sums due and owing to the holders of the Notes pursuant to this Agreement, and then only to the extent of such payments. All rights of the holder of any Note pursuant thereto or to this Agreement may be transferred or assigned at any time or from time to time and shall be considered to be transferred or assigned upon the transfer of such Note, whether with or without the consent of or notice to the Parent or the Issuer. Without limiting the foregoing, it is understood that repeated and successive demands may be made and recoveries may be had hereunder as and when, from time to time, the Issuer shall default under the terms of the Notes or this Agreement and that notwithstanding recovery hereunder for or in respect of any given default or defaults by the Issuer under the Notes or this Agreement shall remain in full force and effect and shall apply to each and every subsequent default.

Section 23.3. Subrogation. To the extent of any payments made under this Agreement, the Parent shall be subrogated to the rights of the holder of the Notes receiving such payments, but the Parent covenants and agrees that such right of subrogation shall be subordinate in right of payment to the rights of any holders of the Notes for which full payment has not been made or provided for and, to that end, the Parent agrees not to claim or enforce any such right of subrogation or any right of set-off or any other right which may arise on account of any payment made by the Parent in accordance with the provisions of this Agreement, including, without limitation, any right of reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any holder of the Notes against the Issuer or the Parent, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Issuer or the Parent, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Notes owned by Persons other than the Parent or any of its Affiliates and all other sums due or payable under this Agreement have been fully paid and discharged or payment therefor has been provided. If any amount shall be paid to the Parent in violation of the preceding sentence at any time prior to the indefeasible cash payment in full of the Notes and all other amounts payable under this Agreement, such amounts shall be held in trust for the benefit of the holders of the Notes and shall forthwith be paid to the holders of the Notes to be credited and applied to the amounts due or to become due with respect to the Notes and all other amounts payable under this Agreement, whether matured or unmatured.

Section 23.4. Preference. The Parent agrees that to the extent the Issuer or any other Person on behalf of the Issuer makes any payment on the Notes, which payment or any part thereof is subsequently invalidated, voided, declared to be fraudulent or preferential, set aside, recovered, rescinded or is required to be retained by or repaid to a trustee, liquidator, receiver or any other Person under any bankruptcy code, common law or equitable cause, then and to the extent of such payment, the obligation or the part thereof intended to be satisfied shall be revived and continued in full force and effect with respect to the Parent's obligations hereunder, as if said payment had not been made. The liability of the Parent hereunder shall not be reduced or discharged, in whole or in part, by any payment to any holder of the Notes from any source that is thereafter paid, returned or refunded in whole or in part by reason of the assertion of a claim of any kind relating

thereto, including any claim for breach of contract, breach of warranty, preference, illegality, invalidity or fraud asserted by any account debtor or by any other Person.

Section 23.5. Marshalling. None of the holders of the Notes shall be under any obligation (a) to ~~marshall~~[marshal](#) any assets in favor of the Parent or in payment of any or all of the liabilities of the Issuer under or in respect of the Notes or the obligation of the Parent hereunder or (b) to pursue any other remedy that the Parent may or may not be able to pursue itself and that may lessen the Parent's burden or any right to which the Parent hereby expressly waives. The obligations of the Parent under this Agreement rank *pari passu* in right of payment with all other Indebtedness (actual or contingent) of the Parent which is not secured or the subject of any statutory trust or preference or which is not expressly subordinated in right of payment to any other Indebtedness.

(a) this First Amendment has been duly authorized, executed and delivered by all necessary limited partnership or corporate action, as the case may be, of the Issuer and the Parent, and this First Amendment constitutes the legal, valid and binding obligation of the Issuer and the Parent enforceable against them in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) (the "**Enforceability Exceptions**");

(b) the Note Purchase Agreement, as amended by this First Amendment, constitutes the legal, valid and binding obligation of the Issuer and the Parent enforceable against them in accordance with its terms, except as such enforceability may be limited by the Enforceability Exceptions;

(c) the execution, delivery and performance by the Issuer and the Parent of this First Amendment (i) will not require the consent or approval of any Governmental Authority and (ii) will not (A) violate (1) any provision of any statute or other rule or regulation applicable to the Issuer or the Parent or its certificate of incorporation, certificate of formation, bylaws or limited partnership agreement, as the case may be, (2) any order of any court or (3) any provision of any material indenture, agreement or other instrument to which it is a party or by which its properties or assets are or may be bound or (B) result in a breach or constitute a default under any indenture, agreement or other instrument referred to in clause (ii) (A)(3) of this Section 2.1(c);

(d) as of the date hereof and after giving effect to this First Amendment, no Default or Event of Default has occurred which is continuing; and

(e) as of the date hereof no "Default" or "Event of Default" under the Primary Credit Facility (each as defined under the Primary Credit Facility) has occurred which is continuing.

SECTION 3. CONDITIONS TO EFFECTIVENESS OF THIS FIRST AMENDMENT.

Section 3.1. This First Amendment shall not become effective until, and shall become effective when, each of the following conditions shall have been satisfied:

(a) executed counterparts of this First Amendment, duly executed by the Issuer, the Parent and the holders of more than 50% of the outstanding principal amount of the Notes, shall have been delivered to the holders of the Notes;

(b) each of holders of the Notes shall have received a copy, certified by a Secretary or an Assistant Secretary of the Issuer or Parent as being true, correct and complete, of (i) the Primary Credit Facility and (ii) the first amendment to the note purchase agreement dated June 15, 2016 among the Issuer and the parties thereto; and

(c) the Noteholders shall have received the favorable opinion of counsel to the Issuer and the Parent as to the matters set forth in Sections 2.1(a), 2.1(b) and 2.1(c) hereof, which opinion shall be in form and substance satisfactory to the Noteholders.

Upon receipt of all of the foregoing (the “**Effective Date**”), this First Amendment shall become effective.

SECTION 4. MISCELLANEOUS.

Section 4.1. Without limiting Section 15.1 of the Note Purchase Agreement, the Issuer agrees to pay the fees and expenses of Chapman and Cutler LLP, counsel to the Noteholders, in connection with the negotiation, preparation, approval, execution and delivery of this First Amendment.

Section 4.2. This First Amendment shall be construed in connection with and as part of each of the Note Purchase Agreement and the Notes, and except as modified and expressly amended by this First Amendment, all terms, conditions and covenants contained in the Note Purchase Agreement and the Notes are hereby ratified and shall be and remain in full force and effect. Except as expressly set forth herein, this First Amendment shall not be deemed (a) to be a waiver of, consent to, or modification or amendment of, any other term or condition of the Note Purchase Agreement or any other document executed in connection therewith, (b) to prejudice any other right or rights which a party may now have or may have in the future under or in connection with the Note Purchase Agreement, the other documents executed in connection therewith or any of the instruments or agreements referred to therein, as the same may be amended, restated, supplemented or otherwise modified from time to time, (c) to be a commitment or any other undertaking or expression of any willingness to engage in any further discussion with any party with respect to any waiver, amendment, modification or any other change to the Note Purchase Agreement or the documents executed in connection therewith or any rights or remedies arising in favor of the holders of the Notes, or any of them, under or with respect to any such documents, or (d) to be a waiver of, consent to, or modification or amendment of, any other term or condition of any other agreement by and among the parties, on the one hand, and the holders of the Notes, on the other hand.

Section 4.3. Any and all notices, requests, certificates and other instruments executed and delivered after the execution and delivery of this First Amendment may refer to the Note Purchase Agreement without making specific reference to this First Amendment but nevertheless all such references shall include this First Amendment unless the context otherwise requires. References in the Note Purchase Agreement to “this Agreement” (and indirect references such as “hereunder,” “hereby,” “herein” and “hereof”) and in any document executed in connection therewith shall be deemed to be references to the Note Purchase Agreement as modified hereby.

Section 4.4. The descriptive headings of the various Sections or parts of this First Amendment are for convenience only and shall not affect the meaning or construction of any of the provisions hereof.

Section 4.5. **This First Amendment shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York, excluding choice-of-law principles of the law of such State that would require the application of the laws of a jurisdiction other than such State.**

Section 4.6. The execution hereof by you shall constitute a contract between us for the uses and purposes set forth herein, and this First Amendment may be executed in any number of counterparts, each executed counterpart constituting an original, but all together only one agreement.

Section 4.7. A facsimile, telecopy, pdf or other reproduction of this First Amendment may be executed by one or more parties hereto, and an executed copy of this First Amendment may be delivered by one or more parties hereto by facsimile or similar instantaneous electronic transmission device pursuant to which the signature of or on behalf of such party can be seen, and such execution and delivery shall be considered valid, binding and effective for all purposes. At the request of any party hereto, all parties hereto agree to execute an original of this First Amendment as well as any facsimile, telecopy, pdf or other reproduction hereof.

\$175,000,000 3.91% Senior Notes due April 20, 2024

April 20, 2017

TO EACH OF THE PURCHASERS LISTED IN
THE PURCHASER SCHEDULE HERETO:

Ladies and Gentlemen:

Each of CORESITE, L.P., a Delaware limited partnership (the “**Issuer**”), and CORESITE REALTY CORPORATION, a Maryland corporation (the “**Parent**”) (in respect of Sections 22.6, 22.7 and 23 hereof), agrees with each of the Purchasers as follows:

SECTION 1. AUTHORIZATION OF NOTES.

The Issuer will authorize the issue and sale of \$175,000,000 aggregate principal amount of its 3.91% Senior Notes due April 20, 2024 (the “**Notes**”). The Notes shall be substantially in the form set out in Schedule 1. Certain capitalized and other terms used in this Agreement are defined in Schedule A and, for purposes of this Agreement, the rules of construction set forth in Section 22.4 shall govern.

SECTION 2. SALE AND PURCHASE OF NOTES.

Section 2.1. Notes. Subject to the terms and conditions of this Agreement, the Issuer will issue and sell to each Purchaser and each Purchaser will purchase from the Issuer, at the Closing provided for in Section 3, Notes in the principal amount specified opposite such Purchaser’s name in the Purchaser Schedule at the purchase price of 100% of the principal amount thereof. The Purchasers’ obligations hereunder are several and not joint obligations and no Purchaser shall have any liability to any Person for the performance or non-performance of any obligation by any other Purchaser hereunder.

Section 2.2. Parent Guaranty. The payment by the Issuer of its obligations hereunder and under the Notes and the performance by the Issuer of its obligations under this Agreement will be unconditionally guaranteed by the Parent, pursuant and subject to the terms of the parent guaranty contained in Section 23 hereof (the “**Parent Guaranty**”).

Section 2.3. Subsidiary Guaranties. The payment by the Issuer of all amounts due on the Notes and all of its other payment obligations under this Agreement may from time to time be absolutely and unconditionally guaranteed by the Subsidiary Guarantors pursuant to and subject to the terms of the Subsidiary Guaranty of each Subsidiary Guarantor, which shall be substantially in the form of Schedule 2.3 attached hereto (as amended, modified or supplemented from time to

time, each a “**Subsidiary Guaranty**,” and collectively, the “**Subsidiary Guaranties**”), and otherwise in accordance with the provisions of Section 9.8 hereof.

SECTION 3. CLOSING.

The sale and purchase of the Notes to be purchased by each Purchaser shall occur at the offices of Chapman and Cutler LLP, 111 West Monroe Street, Chicago, Illinois 60603, at 10:00 a.m., Central time, at a closing (the “**Closing**”) on April 20, 2017 or on such other Business Day thereafter on or prior to April 24, 2017 as may be agreed upon by the Issuer and the Purchasers. At the Closing the Issuer will deliver to each Purchaser the Notes to be purchased by such Purchaser in the form of a single Note (or such greater number of Notes in denominations of at least \$100,000 as such Purchaser may request) dated the date of the Closing and registered in such Purchaser’s name (or in the name of its nominee), against delivery by such Purchaser to the Issuer or its order of immediately available funds in the amount of the purchase price therefor by wire transfer of immediately available funds for the account of the Issuer set forth in the funding instructions delivered by the Issuer in accordance with Section 4.11. If at the Closing the Issuer shall fail to tender such Notes to any Purchaser as provided above in this Section 3, or any of the conditions specified in Section 4 shall not have been fulfilled to such Purchaser’s satisfaction, such Purchaser shall, at its election, be relieved of all further obligations under this Agreement, without thereby waiving any rights such Purchaser may have by reason of such failure by the Issuer to tender such Notes or any of the conditions specified in Section 4 not having been fulfilled to such Purchaser’s satisfaction.

SECTION 4. CONDITIONS TO CLOSING.

Each Purchaser’s obligation to purchase and pay for the Notes to be sold to such Purchaser at the Closing is subject to the fulfillment to such Purchaser’s satisfaction, prior to or at the Closing, of the following conditions:

Section 4.1. Representations and Warranties. The representations and warranties of the Issuer in this Agreement and of each Initial Subsidiary Guarantor in the Subsidiary Guaranty shall be correct when made and at the Closing.

Section 4.2. Performance; No Default. The Parent and the Issuer shall have performed and complied with all agreements and conditions contained in this Agreement, and each Initial Subsidiary Guarantor shall have performed and complied with all agreements and conditions contained in the Subsidiary Guaranty, in each case, required to be performed or complied with by it prior to or at the Closing. Before and after giving effect to the issue and sale of the Notes (and the application of the proceeds thereof as contemplated by Section 5.14), no Default or Event of Default shall have occurred and be continuing. None of the Parent, the Issuer nor any Subsidiary shall have entered into any transaction since the date of the Parent’s Annual Report on Form 10-K for the fiscal year ended December 31, 2016 that would have been prohibited by Section 10 had such Section applied since such date.

Section 4.3. Compliance Certificates.

(a) *Officer's Certificate.* The Parent, on behalf of the Issuer and each Initial Subsidiary Guarantor, shall have delivered to such Purchaser an Officer's Certificate, dated the date of the Closing, certifying that the conditions specified in Sections 4.1, 4.2 and 4.9 have been fulfilled.

(b) *Secretary's Certificate.* The Parent, on behalf of the Issuer and each Initial Subsidiary Guarantor, shall have delivered to such Purchaser a certificate of its Secretary or Assistant Secretary, dated the date of the Closing, certifying as to (i) the resolutions attached thereto and other corporate, limited partnership or limited liability company proceedings, as applicable, relating to the authorization, execution and delivery of the Notes, this Agreement and the Subsidiary Guaranty, as applicable, and (ii) such entity's organizational documents as then in effect.

Section 4.4. Opinions of Counsel. Such Purchaser shall have received opinions in form and substance satisfactory to such Purchaser, dated the date of the Closing (a) from (i) Latham & Watkins LLP, special counsel for the Parent, the Issuer and the Initial Subsidiary Guarantors, covering the matters set forth in Schedule 4.4(a)(i) and covering such other matters incident to the transactions contemplated hereby as such Purchaser or its counsel may reasonably request and (ii) Venable LLP, special Maryland counsel for the Parent, covering the matters set forth in Schedule 4.4(a)(ii) and covering such other customary matters incident to the transactions contemplated hereby as such Purchaser or its counsel may reasonably request (and the Parent, the Issuer and the Initial Subsidiary Guarantors hereby instruct their counsels to deliver such opinions to the Purchasers) and (b) from Chapman and Cutler LLP, the Purchasers' special counsel in connection with such transactions, substantially in the form set forth in Schedule 4.4(b) and covering such other matters incident to such transactions as such Purchaser may reasonably request.

Section 4.5. Purchase Permitted by Applicable Law, Etc. On the date of the Closing such Purchaser's purchase of Notes shall (a) be permitted by the laws and regulations of each jurisdiction to which such Purchaser is subject, without recourse to provisions (such as section 1405(a)(8) of the New York Insurance Law) permitting limited investments by insurance companies without restriction as to the character of the particular investment, (b) not violate any applicable law or regulation (including Regulation T, U or X of the Board of Governors of the Federal Reserve System) and (c) not subject such Purchaser to any tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the date hereof. If requested by such Purchaser at least ten Business Days prior to the date of the Closing, such Purchaser shall have received an Officer's Certificate certifying as to such matters of fact as such Purchaser may reasonably specify to enable such Purchaser to determine whether such purchase is so permitted.

Section 4.6. Sale of Other Notes. Contemporaneously with the Closing the Issuer shall sell to each other Purchaser and each other Purchaser shall purchase the Notes to be purchased by it at the Closing as specified in the Purchaser Schedule.

Section 4.7. Payment of Special Counsel Fees. Without limiting Section 15.1, the Issuer shall have paid on or before the Closing the reasonable and documented fees, charges and

disbursements of the Purchasers' special counsel referred to in Section 4.4 to the extent reflected in a statement of such counsel rendered to the Issuer at least one Business Day prior to the Closing.

Section 4.8. Private Placement Number. A Private Placement Number issued by Standard & Poor's CUSIP Service Bureau (in cooperation with the SVO) shall have been obtained for the Notes.

Section 4.9. Changes in Corporate Structure. Except as set forth in Schedule 4.9, none of the Parent, the Issuer or any Initial Subsidiary Guarantor shall have changed its jurisdiction of incorporation or organization, as applicable, or been a party to any merger or consolidation or succeeded to all or any substantial part of the liabilities of any other entity, at any time following the date of the most recent financial statements referred to in Schedule 5.5.

Section 4.10. Subsidiary Guaranty. Each Initial Subsidiary Guarantor shall have duly authorized, executed and delivered the Subsidiary Guaranty and such Purchaser shall have received a copy thereof.

Section 4.11. Funding Instructions. At least three Business Days prior to the date of the Closing, each Purchaser shall have received written instructions signed by a Responsible Officer on letterhead of the Issuer directing the manner of payment of the purchase price for the Notes and setting forth (a) the name and address of the transferee bank, (b) such transferee bank's ABA number and (c) the account name and number into which the purchase price for the Notes is to be deposited.

Section 4.12. Most Favored Lender Notice. Each Purchaser shall have received a Most Favored Lender Notice with respect to any ~~Additional~~[Most Favored](#) Covenants as of the date of the Closing.

Section 4.13. Proceedings and Documents. SECTION 8. PAYMENT AND PREPAYMENT OF THE NOTES.

Section 8.1. Maturity. As provided therein, the entire unpaid principal balance of each Note shall be due and payable on the Maturity Date thereof.

Section 8.2. Optional Prepayments with Make-Whole Amount. The Issuer may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Notes, in an amount not less than 5% of the aggregate principal amount of the Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid, and the Make-Whole Amount determined for the prepayment date with respect to such principal amount (*provided* that no Make-Whole Amount shall be due if such Notes are prepaid during the last 30 days prior to the Maturity Date of such Notes). The Issuer will give each holder of Notes written notice of each optional prepayment under this Section 8.2 not less than ten days and not more than 60 days prior to the date fixed for such prepayment unless the Issuer and the Required Holders agree to another time period pursuant to Section 17. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Notes to be prepaid on

such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.3) and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer of the Issuer as to the estimated Make-Whole Amount, if any, for such Notes due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Any such notice of prepayment delivered in connection with a refinancing, the proceeds of which are to be used to make such prepayment, may be made, if expressly so stated in such notice to be, contingent upon the consummation of such refinancing and may be revoked by the Issuer in the event such refinancing is not consummated; *provided* that such notice of revocation is in writing. Two Business Days prior to such prepayment, the Issuer shall deliver to each holder of Notes a certificate of a Senior Financial Officer of the Issuer specifying the calculation of such Make-Whole Amount, if any, as of the specified prepayment date.

Section 8.3. Allocation of Partial Prepayments. (a) In the case of each partial prepayment of Notes pursuant to Section 8.2, the principal amount of the Notes to be prepaid shall be allocated among all of the Notes at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

(b) Any prepayments pursuant to Section 8.7 shall be applied only to the Notes of the holders electing to participate in such prepayment.

Section 8.4. Maturity; Surrender, Etc. In the case of each prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall, subject to the penultimate sentence of Section 8.2, mature and become due and payable on the date fixed for such prepayment, together with interest on such principal amount accrued to such date and the applicable Make-Whole Amount, if any. From and after such date, unless the Issuer shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Issuer and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

Section 8.5. Purchase of Notes. The Issuer will not and will not permit any of its Affiliates to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with this Agreement and the Notes or (b) pursuant to a written offer to purchase any outstanding Notes made by the Issuer or an Affiliate pro rata to the holders of the Notes at the time outstanding upon the same terms and conditions. Any such offer shall provide each holder with sufficient information to enable it to make an informed decision with respect to such offer, and shall remain open for at least ten Business Days. If the holders of more than 50% of the principal amounts of the Notes then outstanding accept such offer, the Issuer shall promptly notify the remaining holders of Notes of such fact and the expiration date for the acceptance by holders of Notes of such offer shall be extended by the number of days necessary to give each such remaining holder at least five Business Days from its receipt of such notice to accept such offer. The Issuer will promptly cancel all Notes acquired by it or any Affiliate pursuant to any payment, prepayment or purchase

of Notes pursuant to this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

Section 8.6. Make-Whole Amount.

“**Make-Whole Amount**” means, with respect to any Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Note over the amount of such Called Principal, *provided* that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount, the following terms have the following meanings:

“**Called Principal**” means, with respect to any Note, the principal of such Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“**Discounted Value**” means, with respect to the Called Principal of any Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on such Note is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“**Reinvestment Yield**” means, with respect to the Called Principal of any Note, the sum of (a) 0.50% plus (b) the yield to maturity implied by the “Ask Yield(s)” reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (“**Reported**”) having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Remaining Average Life, then such implied yield to maturity will be determined by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between the “Ask Yields” Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Remaining Average Life and (2) closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then “**Reinvestment Yield**” means, with respect to the Called Principal of any Note, the sum of (x) 0.50% plus (y) the yield to maturity implied by the U.S. Treasury constant maturity yields reported, for the latest day for which such yields have been so reported as of the second Business Day preceding the Settlement Date with respect to such Called Principal, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Remaining Average Life of such Called Principal as of such Settlement Date. If there is no such U.S. Treasury constant maturity

having a term equal to such Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (1) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the term closest to and less than such Remaining Average Life. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Note.

“**Remaining Average Life**” means, with respect to any Called Principal, the number of years obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years, computed on the basis of a 360-day year comprised of twelve 30-day months and calculated to two decimal places, that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“**Remaining Scheduled Payments**” means, with respect to the Called Principal of any Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, *provided* that if such Settlement Date is not a date on which interest payments are due to be made under such Note, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.2 or Section 12.1.

“**Settlement Date**” means, with respect to the Called Principal of any Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

Section 8.7. Change of Control.

(a) *Notice of Change of Control.* The Issuer will, no later than ten Business Days after any Responsible Officer of the Issuer has knowledge of the occurrence of any Change of Control give written notice of such Change of Control to each holder of Notes. (b) *Offer to Prepay Notes.* The offer to prepay Notes contemplated by paragraph (a) of this Section 8.7 shall be an offer to prepay, in accordance with and subject to this Section 8.7, all, but not less than all, the Notes held by each holder (in this case only, “holder” in respect of any Note registered in the name of a nominee for a disclosed beneficial owner shall mean such beneficial owner) on a date (which date shall be a Business Day) specified in such offer (the “**Proposed Prepayment Date**”). Such date shall be not less than 30 days and not more than 60 days after the date of such offer (if the Proposed Prepayment Date shall not be specified in such offer, the Proposed Prepayment Date shall be the Business Day nearest to the 45th day after the date of such offer).

(c) *Acceptance; Rejection.* A holder of Notes may accept or reject the offer to prepay made pursuant to this Section 8.7 by causing a notice of such acceptance or rejection to be delivered to the Issuer at least ten Business Days prior to the Proposed Prepayment Date. A failure by a holder of Notes to respond to an offer to prepay made pursuant to this Section 8.7, or to accept an offer as to all of the Notes held by the holder, in each case on or before the tenth Business Day preceding the Proposed Prepayment Date shall be deemed to constitute a rejection of such offer by such holder.

(d) *Prepayment.* Prepayment of the Notes to be prepaid pursuant to this Section 8.7 shall be at 100% of the principal amount of such Notes, together with accrued and unpaid interest thereon (but without any make-whole, premium, penalty or Make-Whole Amount whatsoever or howsoever described).

(e) *Officer's Certificate.* Each offer to prepay the Notes pursuant to this Section 8.7 shall be accompanied by a certificate, executed by a Senior Financial Officer of the Issuer and dated the date of such offer, specifying: (i) the Proposed Prepayment Date; (ii) that such offer is made pursuant to this Section 8.7; (iii) the principal amount of each Note offered to be prepaid; (iv) the interest that would be due on each Note offered to be prepaid, accrued to the Proposed Prepayment Date; (v) that the conditions of this Section 8.7 required to be fulfilled prior to the giving of notice have been fulfilled; and (vi) in reasonable detail, the nature and date or proposed date of the Change of Control Prepayment Event.

Section 8.8. Payments Due on Non-Business Days. Anything in this Agreement or the Notes to the contrary notwithstanding, (x) except as set forth in clause (y), any payment of interest on any Note that is due on a date that is not a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; and (y) any payment of principal of or Make-Whole Amount on any Note (including principal due on the Maturity Date of such Note) that is due on a date that is not a Business Day shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

(c) The Issuer agrees that so long as any Subsidiary is a guarantor or borrower under or with respect to any Principal Credit Facility, such Subsidiary shall at all such times be a Subsidiary Guarantor in accordance with the provisions of Section 9.8(a); *provided that, for the avoidance of doubt, no Subsidiary shall be deemed to be a guarantor or borrower under or with respect to any Principal Credit Facility if such Subsidiary is released from its obligations thereunder simultaneously with the release from its Subsidiary Guaranty.*

Section 9.10. Most Favored Lender Status. (a) If at any time the Parent, the Issuer or any Subsidiary Guarantor is a party to, shall enter into or shall assume or otherwise become bound or obligated under any Principal Credit Facility (or any amendment thereto) that contains ~~an Additional~~ a Most Favored Covenant, then the Issuer shall provide a Most Favored Lender Notice in respect of such ~~Additional~~ Most Favored Covenant. Such ~~Additional~~ Most Favored Covenant shall be deemed automatically incorporated by reference into this Agreement, *mutatis mutandis*, as if set forth in full herein, effective as of the date when such ~~Additional~~ Most Favored Covenant shall have become effective under such Principal Credit Facility (unless such date is prior to the date of the Closing, in which case such covenant will be deemed incorporated effective as of the date of the Closing) and any event of default in respect of any such ~~Additional~~ Most Favored Covenant so included herein shall be deemed to be an Event of Default under Section 11(c) (after giving effect to any grace or cure provisions under such Principal Credit Facility). Thereafter, upon the request of any holder of a Note, the Issuer shall enter into any additional agreement or amendment to this Agreement reasonably requested by such holder to further evidence any of the foregoing.

(b) ~~(i) Any Additional~~ Subject to clause (d) below, (i) any Most Favored Covenant incorporated into this Agreement (herein referred to as an **“Incorporated Covenant”**) pursuant to this Section 9.10 shall be deemed automatically amended herein to reflect any subsequent amendments made to such ~~Additional~~ Most Favored Covenant under the applicable Principal Credit Facility (*provided* that, if a Default or an Event of Default then exists and the amendment of such Incorporated Covenant would make such covenant less restrictive on the Issuer, then the prior written consent thereto of the Required Holders shall be required as a condition to such amendment) and (ii) any Incorporated Covenant shall be deemed automatically deleted from this Agreement at such time as such ~~Additional~~ Most Favored Covenant is deleted or otherwise removed from the applicable Principal Credit Facility or such applicable Principal Credit Facility shall be terminated (*provided* that, if a Default or an Event of Default then exists, then the prior written consent thereto of the Required Holders shall be required as a condition to such deletion or removal); *provided, however*, that if any fee or other consideration is paid to the lenders under such Principal Credit Facility for such amendment or deletion, the equivalent of such fee or other consideration shall be paid to the holders of the Notes upon the effectiveness of such amendment or deletion. Upon the occurrence of any event described in clause (i) of the preceding sentence, upon the request of the Issuer or any holder of Notes, the holders of Notes and the Issuer shall enter into any additional agreement or amendment to this Agreement reasonably requested by the Issuer or a holder of Notes, as the case may be, evidencing the amendment of any such Incorporated Covenant. Upon the occurrence of any event described in clause (ii) of the second preceding sentence, upon the request of the Issuer, the holders of Notes shall enter into any additional agreement or amendment to this Agreement reasonably requested by the Issuer evidencing the deletion and termination of any such Incorporated Covenant.

(c) **“Most Favored Lender Notice”** means, in respect of any ~~Additional~~ Most Favored Covenant, a written notice to each of the holders of the Notes (and in the case of any Note registered in the name of a nominee for a disclosed beneficial owner, to such beneficial owner,

rather than such nominee, on the date of such notice) delivered promptly, and in any event within ten Business Days after the inclusion of such ~~Additional~~Most Favored Covenant in any Principal Credit Facility, from a Responsible Officer referring to the provisions of this Section 9.10 and setting forth a reasonably detailed description of such ~~Additional~~Most Favored Covenant and related explanatory calculations, as applicable.

(d) ~~For the avoidance of doubt, in~~In no event shall the financial covenants herein or the related definitions used therein contained in this Agreement as in effect ~~on the date of this Agreement~~(x) on the First Amendment Effective Date or (y) after any further amendments or other modifications to this Agreement other than by operation of this Section 9.10, as the case may be (a “Baseline Financial Covenants”), be deemed or construed to be modified, excluded or terminated by operation of the terms of this Section ~~9.10, and, in the event an Additional~~9.10 to be less restrictive than as set forth in the Baseline Financial Covenants or to be inoperative. In the event a Most Favored Covenant, ~~other than a Baseline Financial Covenant,~~ is modified, excluded or terminated under the applicable Principal Credit Facility to be less restrictive or to be inoperative, only any such Incorporated Covenant so modified, excluded or terminated under the applicable Principal Credit Facility and related definitions used therein shall be so modified, excluded or terminated pursuant to the terms hereof; *provided that*

(i) the multiplier set forth in clause (b) of the definition of “Gross Asset Value” may be modified by operation of the terms of this Section 9.10 to be less restrictive on the Issuer and its Subsidiaries, but in no event shall such multiplier exceed 11; and

(ii) the multiplier set forth at the end of the definition of “Leased Asset NOI Amount” may be modified by operation of the terms of this Section 9.10 to be less restrictive on the Issuer and its Subsidiaries, but in no event shall such multiplier exceed six;

provided further that, if at any time after the date of this Agreement a change or modification, or proposed change or modification, of an accounting principle or standard, including GAAP, results or would result in a classification or reclassification of an obligation, including in connection with the implementation of Accounting Standards Update 2016-02, Leases (Topic 842), issued by the Financial Accounting Standards Board, or any successor provision thereto, and the Primary Credit Facility is amended as a result, each financial covenant herein and the related definitions used therein shall be deemed automatically amended, *mutatis mutandis*, to reflect all changes and modifications made to the respective covenant under the Primary Credit Facility that corresponds to such financial covenant. In connection with any amendment to this Agreement pursuant to this paragraph (d), the Issuer shall provide a Most Favored Lender Notice which meets the requirements of paragraph (c) of this Section 9.10.

~~For the avoidance of doubt, as used in this paragraph (d), the term “financial covenant” shall mean the covenants of the Issuer contained in Sections 10.6 through 10.12 hereof as in effect on the date of this Agreement.~~

(b) The Parent shall promptly contribute or otherwise downstream to the Issuer any net assets received by the Parent from third parties (including, without limitation, the proceeds from any Equity Offering).

(c) The Parent shall not make or permit to be made, by voluntary or involuntary means, any transfer or encumbrance of its interest in the Issuer, or any dilution of its interest in the Issuer; *provided, however*, that the interests of the Parent in the Issuer may be diluted as a direct result of the acquisition by the Issuer or its Subsidiaries of additional Real Estate, either by acquiring title to such Real Estate directly in the name of the Issuer or any such Subsidiary or by acquiring direct or indirect ownership interests in a partnership, corporation or limited liability company that owns directly such Real Estate (subject in all respects to compliance by the Issuer and its Subsidiaries with the terms of this Agreement), the sales price of which is paid in whole or in part by the issuance of additional interests in the Issuer so long as the Parent at all times owns not less than 33% of the economic, voting and beneficial interest in the Issuer and shall be the sole general partner of the Issuer; *provided further*, that this paragraph shall not apply to any Plan of the Parent or any unit redemptions of the Issuer by The Carlyle Group.

Section 10.10. Consolidated Total Indebtedness to Gross Asset Value. (a) The Issuer shall not permit at any time Consolidated Total Indebtedness to exceed 60% of Gross Asset Value; provided that, at the Issuer's election, for an Elevated Period, Consolidated Total Indebtedness

may exceed 60% of Gross Asset Value but in no event may Consolidated Total Indebtedness exceed 65% of Gross Asset Value (the “**Elevated Leverage Ratio**”).

(b) For any fiscal quarter in which the Elevated Leverage Ratio is utilized, the Issuer shall be obligated to pay to each holder of a Note additional interest (the “**Elevated Leverage Ratio Interest**”) comprising the product of (i) the aggregate outstanding principal amount of Notes held by such holder (or its predecessor(s) in interest) as of the first day of the relevant fiscal quarter for which Elevated Leverage Ratio Interest is due, (ii) 0.25% and (iii) 0.25 (to reflect that the Elevated Leverage Ratio Interest is payable quarterly); *provided* that for any fiscal quarter in which the Elevated Period has commenced, the Elevated Leverage Ratio Interest for any such Note shall be reduced by an amount equal to such Elevated Leverage Ratio Interest multiplied by a fraction, (i) the numerator of which is equal to 90 minus the number of days (computed on the basis of a 360-day year of twelve 30-day months) from the beginning of the related fiscal quarter to the start of the Elevated Period and (ii) the denominator of which is 90. Such Elevated Leverage Ratio Interest shall be payable on each June 15 or December 15 next succeeding the completion of the relevant Elevated Period together with the regularly scheduled interest due on such holder’s Notes. (c) Together with or prior to delivery of the Elevated Leverage Ratio Interest as contemplated by paragraph (b) of this Section 10.10, the Issuer shall deliver to each of the holders of the Notes a written notice from a Senior Financial Officer of the Issuer or Parent (a) stating that the Issuer has applied the Elevated Leverage Ratio to a calendar quarter (and specifying the applicable calendar quarter) and (b) confirming that the applicable Elevated Leverage Ratio Interest is being paid with respect to such calendar quarter. (d) In determining the Elevated Leverage Ratio Interest with respect to any fiscal quarter during which any Note is paid in full, the Elevated Leverage Ratio Interest for any such Note shall be reduced to an amount equal to such Elevated Leverage Ratio Interest multiplied by a fraction, (i) the numerator of which is equal to 90 minus the number of days (computed on the basis of a 360-day year of twelve 30-day months) from such payment in full to the end of the related fiscal quarter and (ii) the denominator of which is 90. In the event of a partial prepayment of any Note during a fiscal quarter, the Elevated Leverage Ratio Interest shall be similarly prorated with respect to the principal amount of Notes prepaid.

Section 10.11. Adjusted Consolidated EBITDA to Consolidated Fixed Charges. (a) The Issuer shall not permit the ratio of Adjusted Consolidated EBITDA determined for the most recently ended calendar quarter to Consolidated Fixed Charges for the most recently ended calendar quarter annualized, to be less than ~~1.70~~1.50 to 1.00.

(b) Without limiting the foregoing, in the event the ratio of Adjusted Consolidated EBITDA determined for the most recently ended calendar quarter to Consolidated Fixed Charges for the most recently ended calendar quarter annualized is less than 1.70 to 1.00 (an “**Elevated**

Fixed Charges Ratio”), the Issuer shall pay to each holder of a Note additional interest (the “**Elevated Fixed Charges Ratio Interest**”) comprising the product of (i) the aggregate outstanding principal amount of Notes held by such holder (or its predecessor(s) in interest) as of the first day of the relevant calendar quarter for which Elevated Fixed Charges Ratio Interest is due, (ii) 0.25% and (iii) 0.25 (to reflect that the Elevated Fixed Charges Ratio Interest is payable quarterly). Such Elevated Fixed Charges Ratio Interest shall be payable on each June 15 or December 15 next succeeding the completion of the calendar quarter for which Elevated Fixed Charges Ratio Interest is due together with the regularly scheduled interest due on such holder’s Notes. Notwithstanding the foregoing, the Elevated Fixed Charges Ratio Interest shall not be payable for any quarterly period for which the Issuer has paid or is paying the Elevated Leverage Ratio Interest.

(c) Together with or prior to delivery of the Elevated Fixed Charges Ratio Interest as contemplated by paragraph (b) of this Section 10.11, the Issuer shall deliver to each of the holders of the Notes a written notice from a Senior Financial Officer of the Issuer or Parent (a) stating that the Issuer has applied the Elevated Fixed Charges Ratio to a calendar quarter (and specifying the applicable calendar quarter) and (b) confirming that the applicable Elevated Fixed Charges Ratio Interest is being paid with respect to such calendar quarter. The notice provided for in this paragraph (c) of this Section 10.11 may be the same notice as provided under paragraph (c) of Section 10.10.

(d) In determining the Elevated Fixed Charges Ratio Interest with respect to any calendar quarter during which any Note is paid in full, the Elevated Fixed Charges Ratio Interest for any such Note shall be reduced to an amount equal to such Elevated Fixed Charges Ratio Interest multiplied by a fraction, (i) the numerator of which is equal to 90 minus the number of days (computed on the basis of a 360-day year of twelve 30-day months) from such payment in full to the end of the related calendar quarter and (ii) the denominator of which is 90. In the event of a partial prepayment of any Note during a calendar quarter, the Elevated Fixed Charges Ratio Interest shall be similarly prorated with respect to the principal amount of Notes prepaid.

An “**Event of Default**” shall exist if any of the following conditions or events shall occur and be continuing:

SECTION 12. REMEDIES ON DEFAULT, ETC.

Section 12.1. Acceleration. (a) If an Event of Default with respect to the Issuer described in Section 11(g), (h) or (i) (other than an Event of Default described in clause (i) of Section 11(g) or described in clause (vi) of Section 11(g) by virtue of the fact that such clause encompasses clause (i) of Section 11(g)) has occurred, all the Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, the Required Holders may at any time at their option, by notice or notices to the Issuer, declare all the Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in Section 11(a) or (b) has occurred and is continuing, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Issuer, declare all the Notes held by it or them to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (x) all accrued and unpaid interest thereon (including interest accrued thereon in respect of any Notes at the Default Rate) and (y) the Make-Whole Amount, if any, determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Issuer acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from

repayment by the Issuer (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Issuer in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 12.2. Other Remedies. If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note or Note Guaranty, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby by law or otherwise.

Section 12.3. Rescission. At any time after any Notes have been declared due and payable pursuant to Section 12.1(b) or (c), the Required Holders, by written notice to the Issuer, may rescind and annul any such declaration and its consequences if (a) the Issuer has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) neither the Issuer nor any other Person shall have paid any amounts which have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than nonpayment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17 and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to the Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.4. No Waivers or Election of Remedies, Expenses, Etc. No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement, any Note Guaranty or any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Issuer under Section 15, the Issuer will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all reasonable and documented costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including reasonable and documented attorneys' fees, expenses and disbursements.

SECTION 13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

Section 13.1. Registration of Notes. The Issuer shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. If any holder of one or more Notes is a nominee, then (a) the name and address of the beneficial owner of such Note or Notes shall also be

registered in such register as an owner and holder thereof and (b) at any such beneficial owner's option, either such beneficial owner or its nominee may execute any amendment, waiver or consent pursuant to this Agreement. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Issuer shall not be affected by any notice or knowledge to the contrary. The Issuer shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

Section 13.2. Transfer and Exchange of Notes. Upon surrender of any Note to the Issuer at the address and to the attention of the designated officer (all as specified in Section 18(iii)), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof), within ten Business Days thereafter, the Issuer shall execute and deliver, at the Issuer's expense (except as provided below), one or more new Notes (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request and shall be substantially in the form of Schedule 1. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Issuer may require payment of a sum sufficient to cover any stamp, documentary or similar tax, charge or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, *provided* that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.2.

Section 13.3. Replacement of Notes. Upon receipt by the Issuer at the address and to the attention of the designated officer (all as specified in Section 18(iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (*provided* that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$100,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

within ten Business Days thereafter, the Issuer at its own expense shall execute and deliver, in lieu thereof, a new Note, dated and bearing interest from the date to which interest shall have been paid

on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

SECTION 14. PAYMENTS ON NOTES.

Section 14.1. Place of Payment. Subject to Section 14.2, payments of principal, Make-Whole Amount, if any, and interest becoming due and payable on the Notes shall be made in New York, New York at the principal office of Citibank, N.A. in such jurisdiction. The Issuer may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Issuer in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

Section 14.2. Payment by Wire Transfer. So long as any Purchaser or its nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Issuer will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, interest and all other amounts becoming due hereunder by the method and at the address specified for such purpose below such Purchaser's name in the Purchaser Schedule, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Issuer in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Issuer made concurrently with or reasonably promptly after payment or prepayment in full of any Note, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Issuer at its principal executive office or at the place of payment most recently designated by the Issuer pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by a Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Issuer in exchange for a new Note or Notes pursuant to Section 13.2. The Issuer will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note purchased by a Purchaser under this Agreement and that has made the same agreement relating to such Note as the Purchasers have made in this Section 14.2.

Section 14.3. FATCA and Other Tax Information. By acceptance of any Note, the holder of such Note agrees that such holder will with reasonable promptness duly complete and deliver to the Issuer a properly executed Internal Revenue Service Form W-9, W-8BEN-E, W-8ECI, W-8EXP or W-8IMY, as applicable, in each case together with any required attachments and establishing a complete exemption from U.S. federal withholding tax with respect to payments in connection with the Notes and Note Guaranties under the law in effect as of the date of this Agreement. In addition, by acceptance of any Note, the holder of such Note agrees that such holder will with reasonable promptness duly complete and deliver to the Issuer, or to such other Person as may be reasonably requested by the Issuer, from time to time (a) in the case of any such holder that is a United States Person, such holder's United States tax identification number or other forms reasonably requested by the Issuer necessary to establish such holder's status as a United States Person under FATCA and as may otherwise be necessary for the Issuer to comply with its obligations under FATCA and (b) in the case of any such holder that is not a United States Person, such documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Code) and such additional documentation as may be necessary for the

Issuer to comply with its obligations under FATCA and to determine that such holder has complied with such holder's obligations under FATCA or to determine the amount (if any) to deduct and withhold from any such payment made to such holder. Nothing in this Section 14.3 shall require any holder to provide information that is confidential or proprietary to such holder unless the Issuer is required to obtain such information under FATCA and, in such event, the Issuer shall treat any such information it receives as confidential. Each holder agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification under then-current law or promptly notify the Issuer in writing of its legal inability to do so.

SECTION 15. EXPENSES, ETC.

Section 15.1. Transaction Expenses. Whether or not the transactions contemplated hereby are consummated, the Issuer will pay all costs and expenses (including reasonable and documented attorneys' fees of one special counsel for the holders, taken as a whole, and, if reasonably required by the Required Holders, one local or other counsel for the holders, taken as a whole) incurred by the Purchasers and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement, any Note Guaranty or the Notes (whether or not such amendment, waiver or consent becomes effective), including: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, any Note Guaranty or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement, any Note Guaranty or the Notes, or by reason of being a holder of any Note, (b) the costs and expenses, including fees of one financial advisor for all of Purchasers and the holders of the Notes, as a whole, incurred in connection with the insolvency or bankruptcy of the Parent, the Issuer or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes and any Note Guaranty and (c) the costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the SVO, *provided* that such costs and expenses under this clause (c) shall not exceed \$5,000. The Issuer will pay, and will save each Purchaser and each other holder of a Note harmless from, (i) all claims in respect of any fees, costs or expenses, if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes) and (ii) any and all wire transfer fees that any bank deducts from any payment under such Note to such holder or otherwise charges to a holder of a Note with respect to a payment under such Note; *provided* such holder shall have submitted a request for such deducted amount within 30 days of the receipt of the related payment under its Note.

Section 15.2. Certain Taxes. The Issuer agrees to pay all stamp, documentary or similar taxes or fees which may be payable in respect of the execution and delivery or the enforcement of this Agreement or any Note Guaranty or the execution and delivery (but not the transfer) or the enforcement of any of the Notes in the United States of America or any other jurisdiction where the Issuer or any Note Guarantor has assets or of any amendment of, or waiver or consent under or with respect to, this Agreement or any Note Guaranty or of any of the Notes, and to pay any value added tax due and payable in respect of reimbursement of costs and expenses by the Issuer pursuant to this Section 15, and will save each holder of a Note to the extent permitted by

applicable law harmless against any loss or liability resulting from nonpayment or delay in payment of any such tax or fee required to be paid by the Issuer hereunder.

Section 15.3. Survival. The obligations of the Issuer under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement, any Note Guaranty or the Notes, and the termination of this Agreement.

SECTION 16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any Note or portion thereof or interest therein and the payment of any Note, and may be relied upon, by any subsequent holder of a Note, regardless of any investigation made at any time by or on behalf of such Purchaser or any other holder of a Note. All statements contained in any certificate or other instrument delivered by or on behalf of the Issuer pursuant to this Agreement shall be deemed representations and warranties of the Issuer under this Agreement. Subject to the preceding sentence, this Agreement, the Notes and any Note Guaranty embody the entire agreement and understanding between each Purchaser and the Issuer and supersede all prior agreements and understandings relating to the subject matter hereof.

SECTION 17. AMENDMENT AND WAIVER.

Section 17.1. Requirements. This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), only with the written consent of the Issuer and the Required Holders and, solely with respect to Section 23, the Parent, except that:

- (a) no amendment or waiver of any of Sections 1, 2, 3, 4, 5, 6 or 21 hereof, or any defined term (as it is used therein), will be effective as to any Purchaser unless consented to by such Purchaser in writing; and
- (b) no amendment or waiver may, without the written consent of each Purchaser and the holder of each Note at the time outstanding, (i) subject to Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of (x) interest on the Notes or (y) the ~~Make-Whole~~ Amount, (ii) change the percentage of the principal amount of the Notes the holders of which are required to consent to any amendment or waiver or (iii) amend any of Sections 8 (except as set forth in the second sentence of Section 8.2), 11(a), 11(b), 12, 17, 20 or 23.

Section 17.2. Solicitation of Holders of Notes.

(a) *Solicitation.* The Issuer will provide each holder of a Note with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes or any Note Guaranty. The Issuer

will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to this Section 17 or any Note Guaranty to each holder of a Note promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) *Payment.* The Issuer will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of a Note as consideration for or as an inducement to the entering into by such holder of any waiver or amendment of any of the terms and provisions hereof or of any Note Guaranty or any Note unless such remuneration is concurrently paid, or security is concurrently granted or other credit support concurrently provided, on the same terms, ratably to each holder of a Note even if such holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent given pursuant to this Section 17 or any Note Guaranty by a holder of a Note that has transferred or has agreed to transfer its Note to (i) the Parent, (ii) the Issuer, (iii) any Subsidiary or any other Affiliate or (iv) any other Person in connection with, or in anticipation of, such other Person acquiring, making a tender offer for or merging with the Issuer and/or any of its Affiliates, in each case in connection with such consent, shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

Section 17.3. Binding Effect, Etc. Any amendment or waiver consented to as provided in this Section 17 or any Note Guaranty applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Issuer without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Issuer and any holder of a Note and no delay in exercising any rights hereunder or under any Note or Note Guaranty shall operate as a waiver of any rights of any holder of such Note.

Section 17.4. Notes Held by Issuer, Etc. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement, any Note Guaranty or the Notes, or have directed the taking of any action provided herein or in any Note Guaranty or the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Parent, the Issuer or any Affiliate shall be deemed not to be outstanding.

SECTION 18. NOTICES.

SECTION 19. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating hereto, including (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at the Closing (except the Notes themselves) and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital or other similar process and such Purchaser may destroy any original document so reproduced. The Issuer agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Issuer or any holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

Section 22.2. Accounting Terms. (a) All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, (i) all computations made pursuant to this Agreement shall be made in accordance with GAAP and (ii) all financial statements shall be prepared in accordance with GAAP. Section 22.4. Construction, Etc. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

Defined terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include,” “includes” and “including” shall be deemed to be followed by the phrase “without limitation.” The word “will” shall be construed to have the same meaning and effect as the word “shall.” Unless the context requires otherwise (a) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein) and, for purposes of the Notes, shall also include any such notes issued in substitution therefor pursuant to Section 13, (b) subject to Section 22.1, any reference herein to any Person shall be construed to include such Person’s successors and assigns, (c) the words “herein,” “hereof” and “hereunder” and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (d) all references herein to Sections and Schedules shall be construed to refer to Sections of, and Schedules to, this Agreement and (e) any reference to any law or regulation herein shall, unless

Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

Section 22.6. Governing Law. This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

Section 22.7. Jurisdiction and Process; Waiver of Jury Trial. (a) Each of the Parent and the Issuer irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Notes. To the fullest extent permitted by applicable law, the Issuer irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) Each of the Parent and the Issuer agrees, to the fullest extent permitted by applicable law, that a final judgment in any suit, action or proceeding of the nature referred to in Section 22.7(a) brought in any such court shall be conclusive and binding upon it subject to rights of appeal, as the case may be, and may be enforced in the courts of the United States of America or the State of New York (or any other courts to the jurisdiction of which it or any of its assets is or may be subject) by a suit upon such judgment.

(c) Each of the Parent and the Issuer consents to process being served by or on behalf of any holder of Notes in any suit, action or proceeding of the nature referred to in Section 22.7(a) by mailing a copy thereof by registered, certified, priority or express mail (or any substantially similar form of mail), postage prepaid, return receipt or delivery confirmation requested, to it at its address specified in Section 18 or at such other address of which such holder shall then have been notified pursuant to said Section. Each of the Parent and the Issuer agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the U.S. Postal Service or any reputable commercial delivery service.

(d) Nothing in this Section 22.7 shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Issuer in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(e) THE PARTIES HERETO HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH OR THEREWITH.

SECTION 23. PARENT GUARANTY.

Section 23.1. Parent Guaranty. The Parent hereby, jointly and severally, together with the Subsidiary Guarantors under the Subsidiary Guaranty, absolutely and unconditionally guaranties to the holders from time to time of the Notes: (i) the full and prompt payment of the principal of all of the Notes and of the interest thereon at the rate therein stipulated and the Make-Whole Amount (if any), when and as the same shall become due and payable, whether by lapse of time, upon redemption or prepayment, by extension or by acceleration or declaration, or otherwise (including (to the extent legally enforceable) interest due on overdue payments of principal, Make-Whole Amount (if any) or interest at the rate set forth in the Notes) and all other amounts from time to time owing by the Issuer under this Agreement and under the Notes (including, without limitation, costs and expenses), (ii) the full and prompt performance and observance by the Issuer of each and all of the obligations, covenants and agreements required to be performed or observed by the Issuer under the terms of the Notes and this Agreement and (iii) the full and prompt payment, upon demand by any holder of the Notes, of all costs and expenses, legal or otherwise (including attorneys' fees) and such expenses, if any, as shall have been expended or incurred in the protection or enforcement of any right or privilege under the Notes or this Agreement, including, without limitation, in any consultation or action in connection therewith, subject to the limitations set forth in Section 15.1 of this Agreement. The guaranty of the Notes herein provided for is a guaranty of the immediate and timely payment of the principal and interest on the Notes and the Make-Whole Amount (if any) as and when the same are due and payable and shall not be deemed to be a guaranty only of the collectability of such payments and therefore each holder of the Notes may sue the Parent directly upon such principal, interest and Make-Whole Amount (if any) becoming so due and payable.

Section 23.2. Obligations Absolute and Unconditional. The obligations of the Parent under this Agreement shall be absolute and unconditional and shall remain in full force and effect until the entire principal, interest and Make-Whole Amount (if any) on the Notes and all other sums due pursuant to Section 23.1 shall have been paid, and such obligations shall not be affected, modified or impaired upon the happening from time to time of any circumstance or occurrence, including, without limitation, the following, whether or not with notice to or the consent of the Parent:

- (a) the extension of the time for payment of any principal of, or interest (or Make-Whole Amount, if any) on any Note owing or payable on such Note or of the time of or for performance of any obligations, covenants or agreements under or arising out of this Agreement or the extension or the renewal of any thereof;
- (b) the modification or amendment of any obligation, covenant or agreement set forth in this Agreement or the Notes;

- (c) the power or authority or the lack of power or authority of the Issuer to issue the Notes or to execute and deliver this Agreement;
- (d) the existence or continuance of the Issuer as a legal entity;
- (e) any failure to present the Notes for payment or to demand payment thereof, or to give the Issuer or the Parent notice of dishonor for non-payment of the Notes, when and as the same may become due and payable, or notice of any failure on the part of the Issuer to do any act or thing or to perform or to keep any covenant or agreement by it to be done, kept or performed under the terms of the Notes or this Agreement;
- (f) any failure, omission, delay or lack on the part of the holders of the Notes to enforce, assert or exercise any right, power or remedy conferred on the holders of the Notes in this Agreement or the Notes or any other act or acts on the part of the holders from time to time of the Notes;
- (g) the acceptance of any security or any guaranty, the advance of additional money to the Issuer, or any sale, release, substitution or exchange of any security;
- (h) the waiver, compromise, settlement, release or termination of any or all of the obligations, covenants or agreements of the Issuer contained in this Agreement or the payment, performance or observance thereof;
- (i) the voluntary or involuntary liquidation, dissolution, sale or other disposition of all or substantially all the assets, marshalling of assets and liabilities, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization or arrangement under bankruptcy or similar laws, composition with creditors or readjustment of, or other similar procedures affecting the Issuer, the Parent or any of the assets of any of them, or any allegation or contest of the validity of this Agreement or the disaffirmance of this Agreement in any such proceeding;
- (j) the invalidity or unenforceability of the Notes or this Agreement, or the obligations of the Issuer or the Parent under the Notes or this Agreement;
- (k) the default or failure of the Parent or the Issuer fully to perform any of its covenants or obligations set forth in this Agreement or the failure to give notice thereof;
- (l) the failure of the Parent to receive any benefit or consideration from or as a result of its execution, delivery and performance of this Agreement;
- (m) any other circumstance which might otherwise constitute a defense available to, or a discharge of, the Parent or the Issuer in respect of the obligations of the Parent or the Issuer under this Agreement (other than payment and performance in full);

provided that the specific enumeration of the above-mentioned acts, failures or omissions shall not be deemed to exclude any other acts, failures or omissions, though not specifically mentioned

above, it being the purpose and intent of this paragraph that the obligations of the Parent hereunder shall be absolute and unconditional and shall not be discharged, impaired or varied except by the payment to the holders thereof of the principal of, Make-Whole Amount (if any) and interest on the Notes, and of all other sums due and owing to the holders of the Notes pursuant to this Agreement, and then only to the extent of such payments. All rights of the holder of any Note pursuant thereto or to this Agreement may be transferred or assigned at any time or from time to time and shall be considered to be transferred or assigned upon the transfer of such Note, whether with or without the consent of or notice to the Parent or the Issuer. Without limiting the foregoing, it is understood that repeated and successive demands may be made and recoveries may be had hereunder as and when, from time to time, the Issuer shall default under the terms of the Notes or this Agreement and that notwithstanding recovery hereunder for or in respect of any given default or defaults by the Issuer under the Notes or this Agreement shall remain in full force and effect and shall apply to each and every subsequent default.

Section 23.3. Subrogation. To the extent of any payments made under this Agreement, the Parent shall be subrogated to the rights of the holder of the Notes receiving such payments, but the Parent covenants and agrees that such right of subrogation shall be subordinate in right of payment to the rights of any holders of the Notes for which full payment has not been made or provided for and, to that end, the Parent agrees not to claim or enforce any such right of subrogation or any right of set-off or any other right which may arise on account of any payment made by the Parent in accordance with the provisions of this Agreement, including, without limitation, any right of reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any holder of the Notes against the Issuer or the Parent, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from the Issuer or the Parent, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Notes owned by Persons other than the Parent or any of its Affiliates and all other sums due or payable under this Agreement have been fully paid and discharged or payment therefor has been provided. If any amount shall be paid to the Parent in violation of the preceding sentence at any time prior to the indefeasible cash payment in full of the Notes and all other amounts payable under this Agreement, such amounts shall be held in trust for the benefit of the holders of the Notes and shall forthwith be paid to the holders of the Notes to be credited and applied to the amounts due or to become due with respect to the Notes and all other amounts payable under this Agreement, whether matured or unmatured.

Section 23.4. Preference. The Parent agrees that to the extent the Issuer or any other Person on behalf of the Issuer makes any payment on the Notes, which payment or any part thereof is subsequently invalidated, voided, declared to be fraudulent or preferential, set aside, recovered, rescinded or is required to be retained by or repaid to a trustee, liquidator, receiver or any other Person under any bankruptcy code, common law or equitable cause, then and to the extent of such payment, the obligation or the part thereof intended to be satisfied shall be revived and continued in full force and effect with respect to the Parent's obligations hereunder, as if said payment had not been made. The liability of the Parent hereunder shall not be reduced or discharged, in whole or in part, by any payment to any holder of the Notes from any source that is thereafter paid, returned or refunded in whole or in part by reason of the assertion of a claim of any kind relating

thereto, including any claim for breach of contract, breach of warranty, preference, illegality, invalidity or fraud asserted by any account debtor or by any other Person.

Section 23.5. Marshalling. None of the holders of the Notes shall be under any obligation (a) to marshal any assets in favor of the Parent or in payment of any or all of the liabilities of the Issuer under or in respect of the Notes or the obligation of the Parent hereunder or (b) to pursue any other remedy that the Parent may or may not be able to pursue itself and that may lessen the Parent's burden or any right to which the Parent hereby expressly waives. The obligations of the Parent under this Agreement rank *pari passu* in right of payment with all other Indebtedness (actual or contingent) of the Parent which is not secured or the subject of any statutory trust or preference or which is not expressly subordinated in right of payment to any other Indebtedness.
